

## About Trade Conferences International:

Established in 2002, TCI is your technology event organiser of choice. We understand technology and have the ability to identify the right audience to showcase the latest technology developments in different industries, whether it is health, banking, transport, water, education, tourism, mining, housing or any industry where technology and innovation forms part of future developments. .

TCI has organized more than 150 events in the last seven years, with the guidance of a highly experienced and dedicated team.

Together with our exhibitions, TCI arranges the most up-to-date conferences, exhibitions and special events focusing on relevant and pertinent issues facing a specific industry, with upstream topics and high- quality presenters. We know how to determine the right market for both delegates, exhibitors and visitors.
